

Physical/Speech/Occupational Therapy Webinar: Tuesday, 11/24 at 10:00 – 11:30 AM

Please join the Cabinet for Health and Family Services (CHFS) for a webinar discussing upcoming changes to physical, speech, and occupational therapy. Representatives from the Department for Medicaid Services (DMS) and the Office of Inspector General (OIG) will be hosting the webinar, which will include a presentation of important changes for multi-therapy groups and licensed organizations, as well as Home and Community Based Services (HCBS) waiver providers who currently provide physical, speech, and occupational therapy.

The webinar will also include a Q&A section so that providers have ample opportunity to submit questions related to these therapy changes. If you cannot attend the webinar, a recording will be posted on the DMS webpage for your convenience.
